Davismen Primed for Brookline Tiff Here

Boroughites Play League Leaders and West Phillies on Fourth

LOCALS ADD STRENGTH

Although out of the running for first-half honors in the Main Line League, Narberth baseball club will figure prominently in the holiday schedule which will go a long way to deciding a champion.

Gene Davis' tossers already are preparing for the second edition marathon, but will have the opportunity of attempting to down Brookline, one of the leaders, whom they meet here in the afternoon game tomorrow. The boroughites are scheduled to play West Phillies on the community field after breakfast.

The race has developed into a wide-open affair as the result of two games played last Saturday. Narberth was one of the four teams enjoying open dates then and on Sunday. The Davismen trounced Towanda A. A., 20-6 here, but the Sabbath tilt scheduled with Pitman (N. J.), was called off because of wet grounds.

A Great Climax

Brookline, Gladwyne and Berwyn are in a virtual deadlock for the lead, brought on because the Berwynites outslugged Brookline, 10-8 while Gladwyne was upsetting West Phillies, 8-4 in the other game. Featuring the Brookline-Berwyn game was the stickwork of Claude Bailey, of the former, who crashed three consecutive home runs to account for all of the loser's runs.

Eddie Hare's team has a record of nine victories and three losses, while Gladwyne has won one less and lost the same number and Berwyn boasts seven wins and a trio of defeats. Thus anything can happen tomorrow in the big climax and Narberth may have the privilege of sending Brookline down to a heartbreaking defeat.

Narberth had little difficulty disposing of Towanda on Saturday. Opening with one run, the Davismen added four in the third, one in the fifth, then hammered the daylight out of the onion to chalk up eight in the sixth and six more in the seventh. Leading the attack were Pitcher Tommy Byrne and Harry Ralston who cracked out three hits apiece. Jack Eachus crashed a triple and single, Bud Walker collected a triple and Joel Rubineam had a double and single.

Narberth Builds

Narberth usually appears in the annual playoff series. Skipper Davis is building to make a bid for honors that would put his club in the money again as was the case last year when the homesters eventually won the championship in three straight games.

Davis has signed Swede Carlsten and George Gazella. However, there is a chance that the former will go to Europe with the Penn A. C. team to play in the Olympics. Gazella a former Villanova College star, will be with the team for the entire second half. He is a fine third baseman and a timely hitter. He is a brother to Mike, who had a long career with the New York Yankees.

Joseph D. Israel Leaves Family Estate of \$6000

Kiwanians End Campaign

C. Walton Hale's team with 227 points defeated the group headed by Robert E. L. Johnson, who scored 207 points in the attendance and new members contest of the Main Line Kiwanis Club.

Fireworks in Narberth Tomorrow; Hundreds of Contributors Listed

With a baseball game in the morning and also the afternoon, and with the greatest display of fireworks ever seen in the borough, Narberth is ready to celebrate Independence Day tomorrow safely, sanely, but withal to the great enjoyment of everyone.

The field will be amplified for announcements concerning the evening display at the Narberth playground. A crowd of 15,000 can be accommodated, according to J. J. Cabrey, head of the Citizens' Committee in charge of the celebration, and the Lower Merion Police force whose representatives will be present for protective and traffic purposes.

In case of rain the fireworks' display will be held the next Saturday evening, July 11.

Library Reaches Majority

On Wednesday the Bala-Cynwyd Memorial Library attained its majority. It was founded twenty-one years ago by the Woman's Club of Bala-Cynwyd. This year the library had a total circulation of more than 61,000 volumes.

Mrs. Edith Gerhard, late of 1247 Alleghany avenue, Philadelphia, bequeathed one-third of her \$10,800 estate to the Presbyterian Home for the Aged, Bala.

Albert Miller Dies as Auto Overturns

Former Police Lieutenant Killed Almost Instantly; Due to Blowout

THREE OTHERS INJURED

Albert E. Miller, Brookhurst avenue, Narberth, died almost instantly and three other Main Line men were injured when the automobile driven by Miller, turned over several times on Woodbine avenue, near Bryn Mawr avenue, Penn Valley, last Saturday evening. A tire blowout is believed to have caused the accident, throwing the car against a tree.

The other occupants of the machine, who suffered cuts and bruises, are Angelo diMidio, 17, Woodbine avenue, Narberth; Frank Kragbaum, 29, Old Gulph road, Ardmore, and Thomas Whittingham, 21, Meeting House lane, Merion Park. They, with Miller, were taken to Bryn Mawr Hospital by Sergeant William Wintz in the Lower Merion police ambulance.

Funeral services for Mr. Miller were held Wednesday afternoon at the Frankfield Funeral Home, Ardmore, with interment in Westminster Cemetery.

Albert E. Miller was 37, and at the time of his death an engineer in the health and drainage department of Lower Merion Township. Formerly he was a member of the township police force, having risen from patrolman to lieutenant. His promotion came about ten years ago when he was shot while staging a surprise raid on alleged Ku Klux Klansmen, who were burning a fiery cross at the rear of Haverford College.

He was a member of the Improved Order of Redmen, Bryn Mawr, and formerly a deputy chief of the Narberth Fire Company.

He is survived by his wife, Margaret; four children, John H., Albert C., Emily and Florence; three brothers, John A. Miller, Narberth; Edward Miller, Llanerch; Howard Miller, Narberth, a Lower Merion police officer; four sisters, Mrs. Margaret Lowens, Germantown; Mrs. Emily C. Bryson, of Collingswood; Mrs. Elizabeth Hoffman and Marion Miller, both of Narberth. His parents, Mr. and Mrs. John Miller, of Narberth, also survive.

No Speeches at Picnic

A political party picnic "without speeches" was enjoyed by about 75 Narberth Republican workers Saturday afternoon at County Commissioner William D. Ridgway's farm near Bethayres.

Egyptian Bans Propaganda

The Egyptian Theatre is going to be strictly non-partisan, according to Manager Joseph Conway. The playhouse has adopted a newsreel policy of showing no political or controversial topics unless both side are given an equal opportunity to defend themselves.

The Spectator

It is not likely the Editor can spare the space for all the contributions we have to tell, but he is good enough to say that the balance will be reported next week, and so if you have not yet come along with your share, we ask that you do so before this week is out.

The show tomorrow should be the best ever, as we are spending more money on it and have given preference to the showpieces, curtailing on those things which have more bluster than they have beauty, which should please the two ladies in Narbrook Park who made the very constructive suggestion in this respect. One of the new spectacles will be a chariot race, a bewildering variegation which is described as the par excellence of pyrotechnics, and there will also be many other displays which are claimed to be entirely new and extraordinarily novel.

It is hoped, therefore, that all our people will be in attendance, and it should be remembered that in the event of inclement weather the affair will occur on the following Saturday evening, July 11, 1936.

Playground Features Pet Show Next Friday

New Season Under Way With Varied Program of Activities

Narberth playground in continuance of its policy of last season, will hold a pet show next Friday, July 10, at 3.30 P. M. Ribboned awards will be given to the winners by the judges of the show for the following types of pets: ugliest, prettiest, smallest, largest, most cleverly dressed, oddest, best trained, and best behaved. All contestants desirous of entering dogs, must have their pets on a leash. Everyone is invited to attend the show.

Hampered by a great deal of wet weather, which causes the playground to be limited in the activities offered, the playground has, nevertheless, played host to some two hundred Narberthites daily. The boys and girls have been playing paddle tennis, baseball, softball, volleyball, tennis and basketball. Next week a tournament of the ladder-type, will be started in tennis and paddle tennis, for boys and girls, both senior and junior age.

Soccer Offered

The boys play soccer like a duck taking to water. This is the first year that soccer has been offered to the boys, but it is gaining favor rapidly.

M. The penalty for violation is a fine of not more than \$50 and costs or a jail sentence of not over ten days. Typed on the ordinance copies were the owner's license number, the date of violation and the street where it took place.

Half Year's Building Near \$2,000,000 Mark

Lower Merion Permits for June \$480,849—223% Increase

45 NEW OIL BURNERS

Almost \$2,000,000 has been spent in building construction in Lower Merion Township during the phenomenal boom in this field which has developed during the first six months of this year.

This information is brought to light in a report issued last Wednesday by C. E. Rahn, superintendent of building inspection for the township.

Building permits issued for the above period total 497, a jump of more than 67.5 per cent over the same period last year. On these grants an expenditure of \$1,919,644 was made, a rise of more than 116 per cent over 1935.

An even greater increase is shown by comparison of the figures for June, 1935, and June, 1936. Permits issued during that month this year total 129, an increase of over 122 per cent, while money spent on these grants equals \$480,849, a rise of about 223 per cent.

During June more money—\$279,932—was spent on single family dwellings than on any other type of construction. Twenty-three grants were given for such homes.

Next in line was the expenditure of \$120,000 on one permit for twin dwellings, under which ten such houses were erected.

More grants for oil-burning equipment were given last month than for any other type of work. Forty-five such licenses were taken out, for a total outlay of \$30,579.

Thirty-three permits for alterations and additions accounted for \$35,078 expended, while three business buildings cost \$10,000.

The greatest amount of construction work in the township was done in the South Ardmore section, where \$226,115 was spent under thirty-one grants.

Second was the General Wayne (Penn Valley) area, with an expenditure of \$62,436 on twelve permits; third, the Pencoyd district, with \$57,425 spent on thirteen grants, and fourth, the Merion Square section, where \$51,500 was expended on three permits.

Other sections are also reported to be in the throes of a building boom, although to a lesser degree. \$15,650 was spent in North Ardmore, \$21,731 in Haverford and \$20,182 in Rosemont.

Merion, West Ardmore, Bala, East Bryn Mawr and West Bryn Mawr, in that order, show signs of fair activity in building construction work.

Bryn Mawr Avenue Open

Bryn Mawr avenue, from Old Gulph road to Manayunk road, Penn Valley, recently closed for repairs, was reopened this week.

Legionnaires Protest Lot Bid's Turndown

Bala-Cynwyd Post Commander Asks Commissioners "Why?"

WAS BOARD'S IDEA

American Legionnaires of Thomas D. Vandiver Post, No. 355, Bala-Cynwyd, are incensed at the alleged "calousness" of the Lower Merion Township's Board of Commissioners in leading them on to believe the township would sell the post a parcel of land adjacent to the Gully Run pumping station and then summarily rejecting all bids for the plot.

According to W. King Allen, post commander, the Legionnaires several months ago sought to lease the plot located near Bryn Mawr avenue and Manayunk road, whereupon the Commissioners suggested that they submit a bid for the land's purchase. The land, about 100 foot square, is estimated to be worth about \$500, not as a current figure, but as its cost to the township.

Necessary legal notices were advertised, bids taken, several of the board seemed to think it was a good way to get rid of some "useless property," and then at the Commissioners' June meeting all bids were rejected. The only explanation given was that the board would be setting a bad precedent in selling township land, especially so since the commission is seeking additional ground for playgrounds and other purposes.

Mr. Allen says that the action particularly embarrasses the post inasmuch as the property on which its present headquarters is located at Bala avenue and Tregaron road is for sale and the membership is compelled to find a new home.

The letter to the Commissioners sent by the Legion Post and signed by Mr. Allen and George H. Williams, adjutant, follows:

Bala-Cynwyd, Pa.
June 25, 1936

Board of Commissioners
Lower Merion Township
Township Building
Ardmore, Pennsylvania
Gentlemen:

The membership of the Thomas D. Vandiver Post 355, the American Legion, on the basis of their status as tax-paying citizens of the community, feel that they are entitled to an explanation of the Commissioners' curious reversal of its decision in respect to the proposed and approved sale of a parcel of township property located at Manayunk road and Bryn Mawr avenue.

As is known to you, the Vandiver Post is compelled to seek a new location for its Post Home. The site referred to was suggested as possibly available. Inquiries made of the Commission were received with interest and consideration. The procedure necessary to purchase the approximate quarter acre involved were outlined to us by the Commission itself. Instructions were followed implicitly and in good faith. The property was advertised for public sale and the post submitted a proper bid.

Why was it refused? What caused the change of heart? The land was advertised as "no further use to the township." What is its suddenly acquired utility?

The portion under consideration was only a small fraction of the township tract, a part of which is available as a public picnic ground. Would the Post Home, located for years at Bala avenue and Tregaron road, prove undesirable if situated on "unwanted" property adjoining a public park? Would a modest but modern structure contaminate the rustic setting in which it would be placed?

The Thomas D. Vandiver Post seeks enlightenment.

Very truly yours,
(Signed) W. King Allen,
Commander.
George H. Williams,
Adjutant.

Narberth Presents "Colleen." "The Connecticut Yankee" and "Big Brown Eyes"

Dick Powell sings, Ruby Keeler and Paul Draper do fancy steps, while Joan Blondell, Jack Oakie, Hugh Herbert and Louise Fazenda make "Colleen" one of the merriest, maddest of the season's musical pictures. It's now at the Narberth.

Coming Monday and Tuesday is a revival of the late Will Rogers' famous "Connecticut Yankee in King Arthur's Court." Many consider this Will's funniest picture. The Mark Twain story is given some modern trimmings that help its entertainment value.

Wednesday (Cash Award Night) brings together Cary Grant and the lovely Joan Bennett in "Big Brown Eyes." This is a detective yarn, with snappy dialogue, amusing situations, deep-dyed villains, a handsome hero and a beautiful heroine.

Thursday the show is "Broadway Melody of 1936" with Robert Taylor (you saw him in "Small Town Girl" with Janet Gaynor this week), Jack Benny of radio fame and Eleanor Powell, generally considered the world's best feminine tap dancer.

Next week-end the Narberth will show H. G. Wells' "Things to Come," one of the strangest and weirdest pictures ever filmed.

Egyptian Schedules Rhodes' Film, "Absolute Quiet," "Till We Meet Again"

"Absolute Quiet," now at the Egyptian, tells of the reactions of a cosmopolitan group of people, whose interests are interlocked, when they are brought together by an airplane accident and come under the psychological suggestions of one man who makes them dance to his tune. Lionel Atwill and Irene Hervey are starred.

Monday and Tuesday, Walter Huston appears in the title role of "Rhodes," giving a masterful performance of the intrepid Briton who became a diamond master, jungle conqueror and empire builder. The March of Time is an added feature.

"Till We Meet Again" with Herbert Marshall and Gertrude Michael, Wednesday and (Bank Night) Thursday, is a fascinating story of espionage, graphically told, replete with intrigue, danger and suspense.

Next week-end once more is the date for a return engagement of "It Happened One Night," the Colbert-Gable-Connolly masterpiece. "Pop-eye the Sailor" is also on the bill.

Marion Miller Becomes Bride of C. S. Harkness

Vernon Middleton, pastor of the church, officiated.

Miss Margaret Gassner was the maid of honor and only attendant for the bride and Mr. John Miller, brother of the bride, gave her away.

Mr. John Harkness, brother of the bridegroom, acted as best man.

The bridal marches were played by Mr. W. J. Drennan, who also accompanied Miss Edith Stock in two songs "At Dawning" and "Oh, Promise Me."

New Buses to Operate on Main Line Routes

One of the fleet which the Aronimink Transportation Company has provided for the four lines of the Montgomery Bus Company which it took over and began to operate last Wednesday. The new management announces it will increase frequency of service as traffic requires and will apply to the Public Service Commission for permission to bring the rates of fare into adjustment with those now prevailing on its own routes.

Fine New Buses for Main Line Section

Aronimink Transportation Takes Over Four Lines of Montgomery Company

Transportation in the Main Line section underwent an important change last Wednesday when the Aronimink Transportation Company took over and began to operate four routes of buses hitherto maintained by the Montgomery Bus Company, Inc.

The lines affected are the Strafford line, running principally along Lancaster pike from 63rd street, Philadelphia, to Strafford; the Narberth line, through Bala, Cynwyd, Narberth, Ardmore and Haverford to Bryn Mawr; the Garrett Hill line, from 63rd street, Philadelphia, through Ardmore, Haverford, Bryn Mawr and Rosemont to Garrett Hill; and the Gladwyne line, from Ardmore to Gladwyne via Mill Creek road.

The Aronimink Transportation Company has its offices in the 69th Street Terminal and has been identified in the public mind principally with the important development of bus service which has radiated from that point, together with intersecting and feeding lines. It now operates a comprehensive system through Delaware, Chester, Montgomery and Philadelphia Counties.

In making the announcement of its acquisition of the Montgomery lines, the Aronimink management stated that it was preparing for submission to the Public Service Commission a new tariff embodying the rates of fare now in effect on the Aronimink Transportation Company's system. It was announced that special attention will be given to group, party and special bus service.

The first sign of the change noticeable to the public was the appearance on the routes of brand new buses. Eight modern motorbuses have already arrived here as the first installment of a fleet that will represent the latest word in present-day comfort and safety in highway travel.

Study of routes and checking of traffic have been begun and the management announces that frequency of service will be improved at an early date, beginning with the routes which have developed the most travel.

Terminals, barns, storage yards and other facilities of operation will be maintained as they exist at present, according to the management.

The detailed routes of the four lines affected by the change are as follows:

Garrett Hill: From 63rd street and Lancaster avenue, Philadelphia, via Lancaster pike through Ardmore, Haverford, Bryn Mawr and Rosemont, to Garrett Hill.

Strafford: From 63rd street and Lancaster avenue, Philadelphia, via 63rd street, Wynnewood avenue and Lancaster avenue through Wynnewood, Ardmore, Haverford, Bryn Mawr, Rosemont, Garrett Hill, Villanova, Radnor, St. Davids and Wayne to Strafford.

Narberth: From 63rd street and Lancaster avenue, Philadelphia, via 63rd street, City Line avenue, Bryn Mawr avenue, Montgomery avenue, Haverford avenue, Essex avenue and Montgomery avenue through Bala, Cynwyd, Narberth, Ardmore and Haverford to Bryn Mawr.

Gladwyne: From Ardmore to Gladwyne via Mill Creek road.

State Dog Quarantine Ends July 5: Local?

Pennsylvania's 100-day quarantine on Montgomery and Delaware Counties to check the spread of rabies among dogs will end July 5, unless the Bureau of Animal Industry of the State Department of Agriculture rules otherwise. Throughout the quarantine State health authorities have tacitly left enforcement up to local agencies.

Lower Merion's quarantine may be lifted when the Board of Health meets July 6.

Narberth's quarantine may be lifted at the discretion of Dr. George A. Sloan, president of the borough's Board of Health. Dr. Sloan probably will be guided by Lower Merion's action as the borough has co-operated very closely with the township during the quarantine.

Automatic Coal Stoker Boon to Home Owner

Through the ingenuity, perseverance and experiments of Philadelphia's foremost dealer in coal and automatic coal heating equipment, an Automatic Coal Stoker has been made which gives the average home absolutely automatic heat, temperature controlled, at very moderate cost.

This Newton Automatic Stoker is truly a great boon to the home owner who tends his own furnace or has someone hired to do this work for him. It takes the coal from bin to the burner, burns it with a uniform heat and removes the ashes to containers, without any noise or dust, and without effort on the part of the owner. It can be installed in any heater and is so thoroughly automatic that an electric buzzer can be attached to the coal bin which will notify the householder when it is time to reorder coal.

The Newton Supply Company, 53rd and Baltimore avenue, Philadelphia, installed these Stokers to replace other heating equipment during the last two unusually severe winters, when they were subjected to tests that will probably not be repeated in the lifetime of many.

Buckwheat or Rice Anthracite coal is used in this Stoker which means a big saving in coal cost in comparison to the cost of the larger sizes of anthracite used in the average home. The Newton Automatic Stoker is so moderately priced and can be bought on such easy terms that many families are now ordering so that they can enjoy safe automatic heat when cold weather comes—and save money on their coal bills at the same time.

Animal Owners' Protective Association Gets Charter

Judge William F. Dannehower, of the Montgomery County Court, has granted a charter to the Animal Owners' Protective Association of Pennsylvania. The application was presented by Walter R. Faries, Cynwyd attorney.

Headquarters of the recently formed group will be located in Ardmore, in charge of Peter C. Barr, Newfield way, Bala-Cynwyd, as operating manager. Mr. Barr, whose duties will include investigating charges of cruelty to animals, will be sworn in as a first-aid officer next week.

The association is an outgrowth of a group of dog owners who protested alleged invasion of private rights and alleged cruel treatment of animals by town-ship employees during the recent rabies epidemic.

Officers are: Franklin P. Kromer, Cynwyd magistrate, president; William E. Kamerdzer, Ardmore, vice-president; Mrs. Elizabeth S. Crispin, Narberth, secretary, and John I. Bright, Ardmore, treasurer.

Neighbors Rescue 3 Boys From Blazing Residence

Three children of Mr. and Mrs. Joseph Busa, West Manayunk, were carried to safety in their nightclothes by neighbors Monday morning when flames broke out in the Busas' residence at Iceland and Washington roads, causing \$600 damage. The children are Alfred, 8; America, 12; and Frank, 14.

The West Manayunk Fire Company, whose firehouse is near the home, fought the blaze assisted by the Union Fire Association of Bala-Cynwyd. The latter company was summoned during the fire to extinguish burning ties along the railroad at the rear of the Shull Lumber Company, 25 Bala avenue, Bala-Cynwyd.

Bala-Cynwyd Boy Takes Magazine's 51-Day Cruise

For one Bala-Cynwyd boy, Thursday, July 2, should be a never-to-be-forgotten day. Yesterday he left Chicago for 51 days of vacation travel with The American Boy 1936 cruises.

The lucky boy is Grant Cutler, son of N. B. Cutler, 727 Stradone road.

On the trip Westward there'll be stops at St. Paul, where All-Americans from Minnesota's football team will be introduced, at Jamestown, N. Dakota, where a Sioux chieftain will be taken aboard, at Livingston, Mont., for a day at the big Round-up, at Spokane for a swim and sightseeing, then Portland for a six-hour auto trip up the Columbia River highway, to Tacoma for a tour through lumber mills and a copper smelter.

On July 29 Cutler will leave for San Francisco, there to board an ocean liner for a leisurely cruise to Los Angeles, and Hollywood, Acapulco, Mexico, Panama, Balboa, through the Canal, and to Havana.

On August 17 his boat will dock in New York.

Coming from behind to win and playing one of the fastest games seen in these parts, Earle E. Baruch, Merion, captured the Lynwood Hall Cup Sunday at Huntingdon Valley by defeating Leonard Martin, Apawamis Club, New York, 3 and 1, in the final round.

The 1936 Intra-Club Tennis Leagues in men's and women's singles at the Cynwyd Club will open July 4 and close September 13. Prizes will be awarded to each member of winning teams and to best individual record holders.

Tom Otley, former Lower Merion High track man, has qualified for the Olympic finals in the 5000 and 10,000 meter runs. The final trials will be held some time this month at Randalls Island.

In the Main Line Junior League, Cynwyd met a tartar in Ardmore last Friday, losing, 12-2. Keown and C. Maxwell were the only Cynwydites able to get a hit off Griffith, Ardmore hurler. Monday night the Juniors met the Ardmore Cubs, also lost, 7-6. Beaver Kase has just joined Cynwyd and it is hoped he will provide the good pitching which is sorely needed.

"Believe it or not," games were played last Thursday in the Twilight League when Cynwyd tied St. Luke's, 5-5, while West Manayunk was stalemating Ardmore Warriors, 3-3. Of the four teams none scored in either the sixth or seventh innings.

Anne Page squash champion and star tennis player of the Merion Cricket Club, broke her arm below the elbow on one of the outside courts at Wimbledon, England, it was learned this week, and will be incapacitated for the rest of the court season.

Adjudications Handed Down

Adjudications in two Lower Merion estates have been handed down by Judge J. Barnett Holland, Orphans' Court, Norristown, with counsel directed to prepare schedules of distribution. Balances reported are: Harriet H. Curtin, \$128,538.35; Ida V. Parrott, \$3766.71.

Aid at Camp Delmont

Five Main Liners have been appointed to the staff of Camp Delmont, near Summertown, for the summer season, which opens Saturday.

"Drought Insurance"

Droughts have afflicted the Philadelphia area many times in the past. We find interesting records of them in one of our oldest weather books.

"The severest drought ever experienced in America was in the summer of 1762. Scarcely a sprinkle of rain fell for nearly four months. Vegetables of every description perished."

An entry made in September, 1793, reads: "The drought was very distressing; very little rain had fallen since July. Lakes, streams, springs and wells that had never been known to be dry, were then without water. While inhabitants of this city and vicinity could send to the Delaware and the Schuylkill, the inhabitants in many parts of the country were compelled to haul their water from 10 to 20 miles in casks."

Man has no control over these caprices of Nature. They come irregularly and without warning. Just as they have occurred in the past, they will continue to occur in the future.

Your water company is prepared for emergencies such as these. The Philadelphia Suburban Water Company has available enough water to provide for your needs for three-quarters of a year, even though not one drop of rain should fall.
